

§ 774.7

(f) At loan closing, the applicant and anyone who will execute the promissory note must not have any outstanding unpaid judgments obtained by the United States in any court. Such judgments do not include those filed as a result of action in the United States Tax Courts;

(g) The loan applicant, in past and current dealings with the Agency, must not have provided the Agency with false information.

§ 774.7 [Reserved]

§ 774.8 Limitations.

(a) The maximum loan amount any individual or business entity may receive will be 65% of the value of the timely filed proof of claim against AgriBiotech in the bankruptcy proceeding as determined by the Agency.

(b) Loan funds may not be used to pay expenses incurred for lobbying or related activities.

(c) Loans may not be made for any purpose which contributes to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

§ 774.9 Environmental requirements.

The loan actions in this part were reviewed for the purpose of compliance with the National Environmental Policy Act (NEPA), 40 CFR parts 1500 through 1508, and determined not to have a significant impact on the quality of the human environment, either individually or cumulatively. These loan actions are categorically excluded from the requirements of an environmental evaluation due to the fact that the loan funds would be utilized to replace operating capital the applicant would have had if AgriBiotech had not filed bankruptcy.

§ 774.10 Other Federal, State, and local requirements.

Borrowers are required to comply with all applicable:

- (a) Federal, State, or local laws;
- (b) Regulatory commission rules; and
- (c) Regulations which are presently in existence, or which may be later adopted including, but not limited to, those governing the following:

7 CFR Ch. VII (1–1–04 Edition)

(1) Borrowing money, pledging security, and raising revenues for repayment of debt;

(2) Accounting and financial reporting; and

(3) Protection of the environment.

§ 774.11–774.16 [Reserved]

§ 774.17 Loan application.

A complete application will consist of the following:

(a) A completed Agency application form;

(b) Proof of a bankruptcy claim in the AgriBiotech bankruptcy proceedings;

(c) If the applicant is a business entity, any legal documents evidencing the organization and any State recognition of the entity;

(d) Documentation of compliance with the Agency's environmental regulations contained in 7 CFR part 1940, subpart G;

(e) A balance sheet on the applicant; and

(f) Any other additional information the Agency needs to determine the eligibility of the applicant and the application of any Federal, State or local laws.

§ 774.18 Interest rate, terms and security requirements.

(a) *Interest rate.* (1) The interest rate on the loan will be zero percent for 36 months or until the date of settlement of, completion of, or final distribution of assets in the bankruptcy proceeding involving AgriBiotech, whichever comes first.

(2) Thereafter interest will begin to accrue at the regular rate for an Agency Farm operating-direct loan (available in any Agency office).

(b) *Terms.* (1) Loans shall be due and payable upon the earlier of the settlement of the bankruptcy claim or 36 months from the date of the note.

(2) However, any principal remaining thereafter will be amortized over a term of 7 years at the Farm operating-direct loan interest rate (available in any Agency office). If the loan is not paid in full during this term and default occurs, servicing will proceed in accordance with § 1951.468 of this title.
